TIG Brush™ Genuine Technology Enhanced to give you a Superior finish

The all new TBE-440 is optimized to include the latest advances in TIG Brush™ technology and streamlined to deliver the quality you've come to expect from Ensitech.

The new design and innovative technology continues to provide our proven combination of heat, electricity and chemistry to give you a surface finish and level of passivation, which is the best in the industry.

Using the TIG Brush™ TBE-440's patented power delivery with Ensitech genuine fluids and accessories, gives the user peace of mind knowing they will always achieve the fastest, safest and most effective weld cleaning results.

CLEAN • PASSIVATE • POLISH • MARK

TBE-440

Quality
ISO 9001
SAI GLOBAL

NSF CERTIFIED

SEEING IS BELIEVING

Dynamic Power Transfer delivers evenly distributed power for speedy, high-quality cleaning and brightening on all stainless steel grades and thicknesses.

LEAVE PICKLING PASTE BEHIND FOREVER

Low-toxicity, NSF Certified cleaning solutions, low voltage and easy water-based clean-up combine to protect both the operator and the environment.

IF YOU CAN WELD IT, TIG BRUSH™ CAN CLEAN IT

Cleaning tight corners and crevices is a breeze with the TIG Brush, while lead extensions can increase your reach up to 20ft.

THE GO-ANYWHERE WELD CLEANING SYSTEM

The robust design of the TIG Brush takes bumps and spills in its stride. On-site or in the factory, it just keeps on performing.

SUPERIOR RESULTS FROM INNOVATIVE DESIGN

Low-cost consumables make the TIG Brush the clear class-leader in value for money. Optimized to support the PROPEL Torch, the TBE-440 will save you money by driving your productivity even further.

A Safer Future for the Welding Industry

“It’s fast, it’s easy to operate, and above all I can even put an inexperienced employee to work on it and know that he’s safe”

Tom Lindsay, Lindsay PieMaking Equipment, Emu Plains, NSW, Australia.
Award-winning manufacturer and exporter of Simple Simon Pie Machines

“The onsite training we received was concise and easy to understand, our clients have been very happy with the results. The bottom line is that this has been by far the best purchase we’ve made in a very long time! And I’m not talking slightly better, this thing is stinkin’ fantastic! We’re thinking about a second unit already. I’d highly recommend the TIG Brush, and as a company Ensitech has been great to deal with.”

David Vine, Managing Director, Bell Stainless, Kunda Park QLD
